

Looking for a
**More Productive
Career?**

Searching for
**Qualified
Applicants?**

Employment-related investigations can be time-consuming and frustrating, whether you are an individual wanting to make a career move, or a company wanting to interview only the best candidates. This is even more true in the scientific fields. There so much information to sort through – how can you possibly identify the best options?

THE HIRING DETECTIVE can take your case.

We are not just another website job board. We provide qualified consultants to assist each client in their search. Our consultants have years of experience in the technical and research fields, so they are uniquely qualified to take the mystery out of matching the right person to the right job. Best of all, your information remains confidential until both sides – the individual and the company – are ready to communicate directly about prospective employment.

CONFIDENTIAL:

No personal or company identities exposed on the open web

EFFICIENT:

Versatile database search capability produces customized search results

PERSONAL:

At least one Hiring Detective consultant is personally involved in every operation

PRODUCTIVE:

Saves time and frustration; gets it right the first time
